

We are here to provide businesses an extension of their in-house team. We take your CAD models and create 2D RENDERINGS and /or 3D MOVIES so you can see your project in photorealism.

Most of the hours are needed to build the 3D model of your product so that is where most of the value is added. After that each additional image will incur its own charge. Projects can vary in complexity however for transparency our basic pricing is as follows:

Pricing

MODEL	Complexity	First Image cost	Additional Images	Video (per minute)
A	basic	€50	€50	€300
B	semi medium	€150	€50	€300
C	medium	€300	€50	€400
D	semi complex	€500	€50	€600
E	complex	€600 plus	€50	€800

For example

You have a medium complex CAD model = €300
 You need 2 images and 30 second movie = 2*€50 + €200 = €300
 Total Price = €300 + €300 = €600
